Greetings,

It is extremely helpful to have you prepare this information before your first appointment. This ensures that our visit is as thorough and useful as possible. These forms include a questionnaire, diet diary, disclosures and consent forms. Please complete all four pages of the questionnaire, with particular attention to the history. You can fill out the diet diary for any 3 days in a row between now and your appointment.

Thank you for putting your time into this preparation and please remember to bring them with you to your appointment.

If you need to cancel your appointment, please call at least 24 hours in advance. Barring emergencies, there will be a charge for missed first appointments not cancelled at least a day ahead.

Payment is expected at the time of your visit. We accept cash, check or credit card.

I look forward to meeting with you.

Sincerely,

Jody K. Shevins, ND
