Disclosures and Informed Consent

Welcome

I am honored to be part of your path to better health and wellbeing. In order to comply with state regulations regarding the practice of naturopathic medicine issued by Colorado Department of Regulatory Agencies, we must ask all patients to read and sign the following:

Services:

Naturopathic Medicine and Homeopathy are branches of the healing arts distinct from other branches. My services include the prevention, evaluation, diagnosis, and treatment of injuries, diseases, and conditions through education, nutrition, naturopathic preparations, natural medicines, physical medicine, physical agents, homeopathy, and other therapies and modalities designed to support the body's natural healing ability. Naturopathic Doctors (ND) are registered under the Colorado Naturopathic Doctor Act. They are not Medical Doctors (MD), Doctors of Osteopathy (DO), Doctors of Chiropractic (DC), or Doctors of Nursing (DNP) who are licensed under separate practice acts. Naturopathic medicine is not meant to be a substitute for conventional medicine. As Naturopathic Doctors in Colorado, we do not prescribe, dispense, administer, or inject controlled substances (including general or spinal anesthetics) or practice medicine (including performing surgery, obstetrics, or administering ionizing radiation therapy). The only adjustments, manipulations, and mobilizations naturopathic doctors perform are naturopathic manual therapies. We cannot recommend against a course of care recommended or prescribed by a licensed provider in another branch of the healing arts. We recommend that our pediatric patients follow the CDC immunization schedule (copy attached) and have a relationship with a licensed pediatric health care provider.

In order to treat a child, this form must be fully read and signed. You must be provided with a current vaccination schedule; I need a release from the parent to share information with the child's licensed pediatric health care provider if the child has one.

Alternatives and Collaboration:

Alternatives to Naturopathic Medicine and Homeopathy include declining such care and consulting with others such as an MD, DO, DC, or DNP. Naturopathic Medicine and Homeopathy are not a substitute for other types of health care and we encourage you to seek second opinions, have a relationship with an MD or DO, to communicate with all your providers about the care recommended in our office, and to authorize us to attempt to collaborate with your other providers. If applicable, please identify the provider(s) with whom you give your permission and directive to attempt collaboration:

Providers names, phone number, addresses:

Emergencies:

If you are having a medical emergency, do not wait to seek care. Call 911.

No Guarantee:

Every individual responds to care differently and no guarantee or assurance is made as to the results of care in any specific case, as care may not improve your condition.

Payment, Insurance, Refunds:

The fee schedule is attached. Payment for services is not conditional on response to care. There is no guarantee of insurance coverage. Any insurance you have is an agreement between you and your insurance provider.

Rights:

You are entitled to receive information about your provider's credentials (attached), the methods of therapy, the techniques used, and the duration of therapy, if known. Complaints regarding Dr. Shevins must be submitted in writing to the Office of Naturopathic Doctor Registration. To obtain a complaint form, contact the Division at (303) 894-7414 or find more information on how to file a complaint at http://www.dora.state.co.us/reg_investigations/file_complaint.htm

Do not sign until you have read and fully understand:

I have read and fully understand this consent form, and understand that I should not sign this form if any of my questions have not been explained to my satisfaction or if I do not understand any of the terms or words.

We will say “yes” unless a law requires us to share that information.

The list will not include disclosures for treatment, payment, and health care operations, and certain other disclosures (e.g. made at your request). We’ll provide one accounting a year for free, but will charge a reasonable, cost-based fee if you ask for additional accountings.

If you have a medical power of attorney or if someone is your legal guardian, that person can exercise your rights and make choices about your health information. We will make sure the person has this authority and can act on your behalf before we take any action.

Surprise Balance/Billing Disclosure

Surprise Billing – Know Your Rights

Beginning January 1, 2020, Colorado state law protects you* from “surprise billing,” also known as “balance billing.” These protections apply when:

- You receive covered emergency services, other than ambulance services, from an out-of-network provider in Colorado, and/or
- You unintentionally receive covered services from an out-of-network provider at an in-network facility in Colorado

What is surprise/balance billing, and when does it happen?

If you are seen by a health care provider or use services in a facility or agency that is not in your health insurance plan’s provider network, sometimes referred to as “out-of-network,” you may receive a bill for additional costs associated with that care.

Out-of-network health care providers often bill you for the difference between what your insurer decides is the eligible charge and what the out-of-network provider bills as the total charge. This is called “surprise” or “balance” billing.

When you CANNOT be balance-billed:

Emergency Services

If you are receiving emergency services, the most you can be billed for is your plan's in-network cost-sharing amounts, which are copayments, deductibles, and/or coinsurance. You cannot be balance-billed for any other amount. This includes both the emergency facility where you receive emergency services and any providers that see you for emergency care.

Nonemergency Services at an In-Network or Out-of-Network Health Care Provider

The health care provider must tell you if you are at an out-of-network location or at an in-network location that is using out-of-network providers. They must also tell you what types of services that you will be using may be provided by any out-of-network provider.

You have the right to request that in-network providers perform all covered medical services. However, you may have to receive medical services from an out-of-network provider if an in-network provider is not available. In this case, the most you can be billed for **covered** services is your in-network cost-sharing amount, which are copayments, deductibles, and/or coinsurance. These providers cannot balance bill you for additional costs.

Additional Protections

- Your insurer will pay out-of-network providers and facilities directly.
- Your insurer must count any amount you pay for emergency services or certain out-of-network services (described above) toward your in-network deductible and out-of-pocket limit.
- Your provider, facility, hospital, or agency must refund any amount you overpay within sixty days of being notified.
- No one, including a provider, hospital, or insurer can ask you to limit or give up these rights.

If you receive services from an out-of-network provider or facility or agency OTHER situation, you may still be balance billed, or you may be responsible for the entire bill. If you intentionally receive nonemergency services from an out-of-network provider or facility, you may also be balance billed.

If you want to file a complaint against your health care provider, you can submit an online complaint by visiting this website:

https://www.colorado.gov/pacific/dora/DPO_File_Complaint.

If you think you have received a bill for amounts other than your copayments, deductible, and/or coinsurance, please contact the billing department, or the Colorado Division of Insurance at 303-894-7490 or 1-800-930-3745.

*This law does NOT apply to ALL Colorado health plans. It only applies if you have a “CO-DOI” on your health insurance ID card.

Please contact your health insurance plan at the number on your health insurance ID card or the Colorado Division of Insurance with questions.
